Pharmacy Online Ordering

Online refill ordering is now available from the Saskatoon Community Clinic Pharmacy. Telephone keypad ordering will also be available soon. Order any time of the day, even after the Pharmacy is closed. Use the link on our website to place your order. It is user friendly and secure. If you have any questions regarding this service, please ask one of our friendly Pharmacy staff members.

Choosing Wisely Canada

The Choosing Wisely Canada (CWC) campaign is designed to help physicians and patients engage in conversations about unnecessary tests, treatments and procedures, and to help physicians and patients make smart and effective choices to ensure high-quality care. The campaign includes plain language materials to help you learn about medical tests, treatments or procedures, when they are necessary and when they are not, and what patients can do to improve their health. We encourage you to visit their website to learn more at ChoosingWiselyCanada.org

medSask Drug Information Service

Pharmacists can provide you with information about your medications, interactions and side effects but if you require more in-depth information you can contact medSask Drug Information Service, a non-profit organization sponsored by Saskatchewan Health. The service, which operates from the University of Saskatchewan, provides healthcare professionals and the general public with access to on-demand, accurate, evidence-based drug information. Licensed pharmacists respond to drug queries 365 days a year. Contact medSask by phone at (306) 966-6378, e-mail at med.sask@usask.ca or on-line at medsask.usask.ca
