

JOB POSTING #2223
WE ARE AN EMPLOYMENT EQUITY EMPLOYER

CLASSIFICATION: Community Mental Health Nurse, Permanent, part-time

HOURS: 0.5 FTE. All sites. Current: Westside

The successful applicant would primarily work out of our Westside location as part of the **Connected Community Care Phase II strategy**, an initiative focused on reducing the reliance on emergency department visits, and establishing a more robust interdisciplinary primary health care team with our partner organizations (Saskatchewan Health Authority, Saskatoon Tribal Council, & Central Urban Métis Federation).

SALARY: Collective Agreement CUPE #974 - Job description under review

DUTIES:

- To provide professional mental health service and programs for an outpatient caseload working in close association with others in the interdisciplinary team.
- To provide assessments and counselling
- To establish and implement effective treatment plans for individuals who experience a disturbance in psychosocial functioning.
- To facilitate treatment program continuity by observing and assessing individuals' response to treatment and implementing recommendations.
- To arrange for prescription renewals and may include the direct administration of prescription medication.
- To work with clients to facilitate reintegration to the community systems (e.g. family, society and vocational environment).
- To provide emergency call duty to your own caseload when available.
- Will have significant contact with other community resources.
- To provide meaningful educational service to other health care workers, community agencies and the public.

QUALIFICATIONS:

- Must be registered with the RPNAS or the SRNA.
- Level C, Basic Cardiac Life Support.
- P.A.R.T. Certificate preferred.
- Prefer a minimum of 5 years' experience in clinical mental health nursing.
- Able to work independently as well as work as a team member.
- Knowledge of mental health across the life cycle.
- Understanding of the impact of mental illness on the client, family and community.
- Knowledge and compatibility with CHSA policy.
- Understanding of Health Promotion initiatives in Mental Health.
- Knowledge of the Nursing Process and interventions appropriate to Mental Health, including Suicide Risk Assessment.
- A working knowledge of the Mental Health Services Act and related legislation.
- Requires initiative and judgment to plan, implement, and modify treatment programs according to needs of individual clients and families.
- Must be bondable.
- Valid driver's license and vehicle required.
- Demonstrates strong interpersonal and collaborative communication skills and attitude.

RESPONSIBLE TO: Chief Operations Officer and Director of Counselling and Community Services
