

JOB POSTING #2317
WE ARE AN EMPLOYMENT EQUITY EMPLOYER

- CLASSIFICATION:** Counsellor I (General Service) – Permanent, part-time
- HOURS:** 0.8 FTE. Monday to Saturday. All sites. Flexible hours may be required which may include working some evenings and weekends as scheduled.
- SALARY:** Collective Agreement CUPE #974
- CORE FUNCTION:** To promote the mental, emotional and social health and well-being of Saskatoon Community Clinic patients. To do this through referral, education, advocacy, community action, connecting clients to cultural services and resources, counselling, and program leadership.
- DUTIES:**
- Takes responsibility as primary case manager for clients.
 - Interviews clients and assesses personal, family, social, and employment functioning relevant to the problems and symptoms presented. Assesses social and other environmental conditions.
 - Determines a service plan and facilitates it through: referral, group treatment, connecting clients to cultural services and resources, environmental change and counselling. Monitors and follows-up on client progress.
 - Works in collaboration with other health care workers in planning and service provision.
 - Refers clients to appropriate community agencies and services for assistance in improving personal, social and vocational functioning and for practical help.
 - Provides crisis and ongoing counselling.
 - Treats clients' emotional, psychological, and relationship difficulties using a range of counselling models and methods.
 - Other duties outlined in the job description.
- QUALIFICATIONS:**
- B.S.W., or equivalent in training, formal education, and experience.
 - Eligible for registration in a professional association and eligible for liability insurance.
 - Three years' experience as a social worker, preferably in a health care setting.
 - Significant training in a broad range of casework skills, including crisis and ongoing counselling.
 - Demonstrated ability to work as a self-directed independent social worker within a multidisciplinary health care team.
 - Knowledge and understanding of the general determinants of health and the effects of addictions and poverty.
 - Must have a strong familiarity and understanding of Indigenous cultures.
 - Fluency in an Indigenous language is an asset.
 - Good oral and written communication skills.
 - Interest and skill in community development an asset.
 - Computer knowledge and skills are an asset.
 - Compatibility with the philosophy and policies of the Community Clinic.
 - Must be bondable.
 - Demonstrates strong interpersonal and collaborative communication skills and attitude.
